

# APPENDIX I

## Action Plan Links

## City of Chicago Action Plan Links

The following are various Vision Zero Action Plan links relevant to the City of Chicago and the North Avenue Corridor Improvements Project.

[Vision Zero Chicago Action Plan](#) – City-wide Action Plan that details Vision Zero strategies and policies for the City of Chicago.

[Vision Zero Northwest Side High Crash Area Recommendations Report](#) – West Side Action Plan tailors Vision Zero strategies and policies to high crash corridors in Chicago’s northwest side historically disinvested communities using the *High Crash Corridors Framework Plan* and through extensive community engagement.

[Illinois Vulnerable Road User Safety Assessment](#) – Statewide Vulnerable Road User Safety Assessment that summarizes results of data analysis, extensive Safe System Approach collaboration and stakeholder engagement, and countermeasures and strategies for implementation.
